

Poem to Mother

Vibrant, sparkling, bright, flowing
She sparkles as the stream that flows by
Constant, soothing, tranquil, peaceful

She flows in and out of my life, watching over me
Helping me be all that I can be
Vibrant, sparkling, bright, flowing

Run with your life as it carries you in its flow
Do not be afraid, be true to yourself
Constant, soothing, tranquil, peaceful

Her soothing murmur calming me
Her passion encouraging me
Vibrant, sparkling, bright, flowing

She flows on, eternally inquisitive
Awakening in me a sense of possibilities
Constant, soothing, tranquil, peaceful

Embrace all that life offers you
Her light shining on the water
Vibrant, sparkling, bright, flowing
Constant, soothing, tranquil, peaceful
