

Remember me?

Remember me?
I am your wife
Creating your home
Cooking your meals
Washing your clothes
Unfulfilled, dependant
And stifled, stifled

Remember me? I am
your wife Your
deserted wife
Waiting, longing
Weeping, hoping
Your vulnerable
wife Your needy
wife
Remember me? No
longer your wife
Creating my home
Feeding my spirit
Living my dream
Fulfilled and independent
And alive, alive

I am the woman
You never knew
Free, strong and passionate
I am the woman
You never knew
Remember me?
